A GROWING
COMMUNITY

As we prepare to embrace the festive season, we reflect on 2021 with thanksgiving for God's goodness. As a school, we have overcome many hurdles and as a family, we have united with deeper trust in God. We are immensely proud of Caitlin Martin (Grade 7) who participated in the South African **Gym Games** in Johannesburg and placed 3rd overall nationally in the U13 Level 5. She also placed 1st in the Free Dance Level 5 U13 and 2nd in the Ribbon Dance Level 5 U13.

In preparation for Exam season, our learners partook of **Communion** and pled the Blood of Jesus over their academics. We are thankful for the hand of God that has sustained them throughout this season and will propel them into an increasingly bright future.

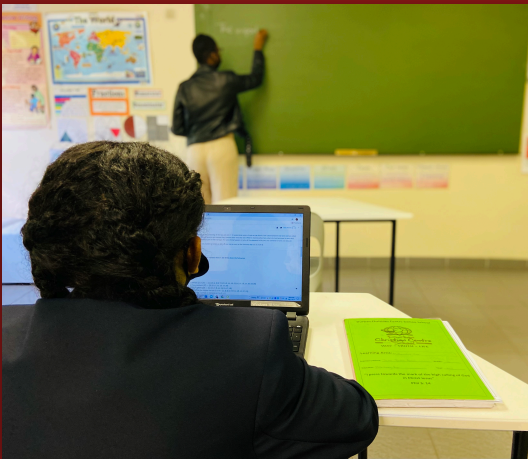

Our senior phase learners, Tauri and Teala Elliott (Grade 4), Mikhail Jean-Louis (Grade 6) and Zahi Chetty (Grade 6) displayed their impressive **Abstract Art** pieces this term. Furthermore, we are extremely proud of Esther Sullivan (Grade 7) who placed 2nd in her age group, nationally, after swimming the 3km **Midmar Mile**.

Our Pre - Primary learners showcased the **Little Sprouts Garden** as part of their Life Skills. They have learnt the significance of sowing a seed and the commitment required to nourish their plants.

As 2022 approaches, we look forward to a growing **online high school** community where learners experience the privilege of studying digitally whilst having access to qualified teachers and a healthy school facility. We are excited to see what God will do through our students and their academics.

There's nothing quite like a **Summer water balloon** game. Our Primary School learners concluded exam season with a day of fun in the sun, laughter and lots of energy.

We are thrilled to celebrate and honour our learners after a challenging year for their hard work, growth and perseverance to excel despite the circumstances they have had to face. You are invited to stream our **Annual Awards Event** on Facebook and YouTube with your family and friends to celebrate our learners' achievements and the Graduating Class of 2021. We are proud of each and every one of them and wish them all of God's best in their future.

UPCOMING EVENTS

Our Annual Awards Day will be taking place on **Wednesday, 1 December 2021 from 09:00 to 11:00 at the Durban Christian Centre Jesus Dome** (by invite only)

Stream the LIVE event on Facebook and YouTube.

One of the ways in which our learners celebrate this season is by practising generosity towards those with less. Our learners compiled a range of **Christmas Hampers** for our ground staff as a way to reflect gratitude and the love of God during the Christmas season. Through their acts of kindness, they have learnt the significance of helping others and meeting a need wherever they can.

On Friday, 26 November 2021, we bid **Farewell** to the Grade 7 class of 2021 at the Emakhosini Boutique Hotel. Our learners were treated to a buffet meal, enjoyed the company of their friends and fun dance items to celebrate their final moments as primary school learners. They were sent off with encouragement and the blessing of DCCS.

As 2021 draws to a close, we wish you and your family a peaceful and enjoyable **Christmas season** in which we fix our focus on the birth of Jesus and His life. We pray for the comfort of God and His warm embrace to surround your hearts and homes during what may have been a challenging year.

We are thrilled to announce that our theme for next year is **Fearless 2022**, derived from Isaiah 41:10, "Fear not, for I am with you." We believe that, by the power and presence of God, there is nothing too difficult for us. Therefore, we are approaching 2022 with confidence in the Lion of Judah, and a fearless spirit in the face of uncertainty. We are excited to leap into Fearless 2022.
